ABOUT US

MISSION

At Whole Again, our mission is to partner with faith-based and other non-profit organizations to provide meals, educational, and enrichment programming to at-risk youth to assist them in developing a healthy mind, body, and spirit.

VISION

Working with faith-based and other non-profit organizations to engage in the community to make children and families whole again.

SUMMER FOOD ENRICHMENT PROGRAM (SFEP)

Since 2005, Whole Again has provided local at-risk children with quality nutritious breakfast and lunch daily during the summer to break the cycle of hunger and academic enrichment to combat summer learning loss. Our programming, in partnership with numerous churches and non-profit organizations, seeks to dismantle the hurdles of food insecurity and lack of access to quality enrichment for Cincinnati school children so that they can thrive physically and academically.

FUN TO BE FIT DAY

Our annual Fun to Be Fit Day is a competitive, fun-filled day full of field events and activities between children from our sites. It's an exciting and inspiring day that celebrates and encourages healthy and active minds and bodies.
